

## Application for The Top Shelf Gallery

The Top Shelf Gallery welcomes applications from area artists. The space is a bit unusual, but the top of the shelving in the two main downstairs rooms provides a safe and visible display area for works up to 33" in height. Paintings can be either framed or unframed as no hanging is required.

Shows are generally for two months in length, although a shorter period can be arranged. A solo show can accommodate 10 to 12 works, depending on size. A two person show, 5-6 each. The library charges 15% of any sale and will arrange for publicity and, if desired, an opening.

While the library makes every effort to ensure the safety of work exhibited, artists show at their own risk.

Applications, accompanied by images or links to representative images, should be sent to Anne Christie at the Fletcher Memorial Library, 257 Main Street, Hampton, CT 06247, or emailed to [fletchermemoriallibrary@gmail.com](mailto:fletchermemoriallibrary@gmail.com).
